from the q. of J. Kins anno

Subj: Coordinated Development in field of technical education - Contact with regional Committees

1 The All India Council of Technical Education has set up the 4 regional Committees at Bombay, Calcutta, Madras & Kanpur to bring about coordinated development of technical education in each of the regions in the Country by closely associating the activities of the Committee with the State Govts. To establish a healthy convention, the govt. of J. have requested that the Regional Committee may be consulted on any development contemplated in the field of technical education and to keep informed of the decisions of the State Council for Education, if any.

2 There is no State Council for technical education in this State. However the Regional Committee will be consulted on any development contemplated in the field of technical education as desired by the q. of J. The pns may be filed after perusal and acknowledging the receipt of the pns with its enclosures. For orders. Acknowledgment up.

signed
17/12/55

It is not clear whether we could address the Regional Committee for providing seats for technical candidates who wish to take up technical studies.

From

The Secretary to the Government of India.

To

Chief
The Secretary to the Government of Coorg,
~~Education Department~~
Mercara.

Subject: Co-ordinated Development in the field of technical education - Contact with Regional Committees.

Sir,

The State Government are aware the All India Council for Technical Education has set up the Western, Eastern, Southern & Northern Regional Committee with headquarters at Bombay, Calcutta, Madras & Kanpur respectively. The Northern Regional Office is at present located at New Delhi but it will be shifted to its head-quarters at Kanpur shortly. A statement giving the composition and functions of these Committee are attached. It will be observed therefrom that one of the functions of the Regional Committees is to bring about coordinated development of technical education in each of the regions in the country. This is only possible if the activities of these Committees and these of the State Government are closely associated. The Council at its meeting held on the 8th February, 1953, emphasised this point and passed the following resolutions:-

"RESOLVED to recommend to the Central Government that, with a view to securing coordinated development in the field of technical education, they should address all State Governments to agree to establish a healthy convention whereby -

(a) the State Governments would consult their respective Regional Committees regarding any substantial development contemplated for technical education in the states; and

(b) where State Councils for Technical Education exist such Councils would communicate to their respective Regional Committees their decisions on various matters appertaining to technical education.

P.T.O.

I am to request that the Regional Committee may be consulted on any development contemplated by the State Government in the field of technical education and it may be kept informed of the decisions of the State Council for technical education, if any. Receipt of this letter may please be acknowledged.

Yours faithfully,

G. N. Vaswani

Bangalore.

GOVERNMENT OF WEST BENGAL.

Education Department.

Education.

RESOLUTION No. 3801Edn.

Calcutta, the 3rd August 1949.

1. Government have decided to constitute a Provincial Council for Engineering and Technical Education to advise Government in all matters regarding Engineering and Technical Education. It will be open to the Council to appoint such Executive Committees or other subordinate bodies as may be required to facilitate the discharge of its business. The Council will be composed as under:—

Hon'ble Minister, Education, *Chairman.*

Members.

(1) A representative of the Institute of Engineers (Bengal Branch).

(2) A representative of the Indian Institute of Architects.

(3) A representative of the Post-Graduate Council of Teaching in Science, Calcutta University.

(4) A representative of the Engineering Association.

(5) The Chief Mechanical Engineer, East Indian Railway, *ex-officio.*

(6) The Chief Engineer, Bengal Nagpur Railway, *ex-officio.*

(7) The Chief Engineer, Port Commissioners, *ex-officio.*

(8) The Chief Engineer, Works and Buildings Department, Government of West Bengal, *ex-officio.*

(9) The Chief Engineer, Irrigation and Waterways Department, Government of West Bengal, *ex-officio.*

(10) The Chief Executive Officer, Calcutta Corporation, *ex-officio.*

(11) The Chief Electrical Engineer, Commerce and Industries Department, Government of West Bengal, *ex-officio.*

(12) The Chief Valuer, Calcutta Improvement Trust, *ex-officio.*

(13) The Labour Commissioner with the Government of West Bengal, *ex-officio.*

(14) The Principal, College of Engineering and Technology, Jadabpur, *ex-officio.*

(15) The Principal, Bengal Engineering College, Sibpur, *ex-officio.*

(16) The Principal, Government Commercial Institute, *ex-officio.*

(17) The Secretary, Commerce and Industries Department, Government of West Bengal, *ex-officio.*

(18) The Secretary, Agriculture Department, Government of West Bengal, *ex-officio.*

(19) The Secretary, Finance Department, Government of West Bengal, *ex-officio.*

(20) The Secretary, Education Department, Government of West Bengal, *ex-officio.*

(21-28) Eight persons to be nominated by Government to represent Chambers of Commerce, industrial and commercial organisations.

(29) Chief Inspector, Technical Education, West Bengal, *ex-officio,* who will also act as Secretary.

2. The functions of the Council would be to recommend what additional facilities should be provided by reorganisation or expansion of existing institutions and by the setting up of new institutions for training in engineering, technical, industrial and commercial education in the

province. This Committee will grant recognition to institutions providing technical (or commercial) education, provided they maintain a satisfactory standard and follow the syllabus prescribed by the Council. They will also arrange for the holding of examinations and awarding diplomas and certificates, and will make recommendations to Government regarding provision of funds for better facilities for technical education.

The Secretariat of the Council will be located either at the Bengal Engineering College or at such other place where the Secretary would be able to devote greater attention to the work of the Council.

3. The tenure of office of the non-official members will be three years.

The official members of the Council will continue until they are replaced by others. All casual vacancies among the members (other than *ex-officio* members) shall be filled by the authority or body who nominated or elected the member whose place becomes vacant, and the person appointed to a casual vacancy shall be member of the Council for the residue of the term for which the person whose place he fills would have been a member.

4. The names of the members of the Council under paragraph 1 above will be announced in due course.

ORDER.—Ordered that the resolution be published in the *Calcutta Gazette* and copies thereof forwarded to the Chairman and Members of the Council.

Ordered also that a copy of the resolution be forwarded to the departments concerned.

By order of the Governor,

A. K. CHANDA, Addl. Secy.

No. 3801/1(5)Edn.

Copy forwarded to

for information.

B. P. NEOGI, Asstt. Secy.

Calcutta, the 3rd August 1949.

[redacted]

Constitution as on 7th July 1955.

Ex-Officio:

1. The Director of Technical Education,

2. The Director of Industries or any other officer nominated by him.

3. The Chairman, Secondary School Certificate Examination Board.

4. The Assistant Educational Adviser (Technical), Ministry of Education, Government of India, Bombay.

5. The Chief Engineer, Public Works Department or any other officer nominated by him.

6. The Regional Director of Resettlement & Employment.

7. The Vocational Guidance Officer,

8. The Director of Industries, Government of Saurashtra.

Others:

1. One member nominated by Government in consultation with the Railway Board representing the Railways.

2. One member nominated by Government in consultation with the Ministry of Defence, Government of India, representing the Defence Services.

3. The Deans of Faculties of Technology of Engineering of the various Statutory Universities in the State.

4. One representative each of the following Associations.-

   (a) the Millowners' Association, Bombay,
   (b) the --do-- , Ahmedabad,

   (c) the Institution of Engineers. (India)

5. Two heads of Government Technical Institutions, provided that they are not already members of Council in the capacity of a Dean of Faculty of Technology and/or Engineering of any University.

6. A Head Master of High School nominated by Government in consultation with the Head Masters' Association.

7. Two members nominated by Government representing the registered Trade Unions.

8. Four heads of recognised technical institutions of which at least two shall be Heads of Collegiate institutions nominated by Governmentprovided that they are not members of the Council in the capacity of a Dean of Faculty of Technical and/or Engineering of any University.

9. Such other members interested in technical and vocational education not exceeding four as may be nominated by Government.

FUNCTIONS.

The functions of the Council will be to advise Govt. and make recommendations regarding:-

1. the courses and standards or instruction in Technical institutions;

ii. arrangements for the periodical inspection and examination of those institutions as regards their staff, accommodation, equipment, courses of study methods of work and actual work done;

iii. the requirements of the State in Technical and Industrial Education;

iv. opening of new Technical institutions;

v. conditions of recognition of new institutions:

vi. payment of grant-in-aid to institutions;

vii. appointment of Boards of Studies for the various branches of Engineering and Technology;

viii. arrangement for examinations;

ix. award of certificates and diplomas;

x. preparation of text books on technical subjects in Hindi and the regional languages.

The Chairman of the Council is selected by the members in the first meeting.

Government of Bombay in Education Department has on the recommendation of the State Council of Technical Education appointed six Boards of Studies as under;

1. Board of Studies for Engineering and Metallurgy course.
2. " " " " Radio Engineering and Allied Courses.
3. " " " " Textile Courses.
4. " " " " Applied Chemistry Courses.
5. " " " " Tailoring and Embroidery Courses.
6. " " " " Craft and Misc.courses.

The total No.of members of different Boards varies from seven to eleven.

The functions of the Boards of Studies mainly are:-

1. to frame syllabii and/or revise of the various courses referred to them by the State Council of Technical Education

2. to recommend panels of paper setters and examiners to the State Council of Technical Education in the courses allotted to them.

NOTE:- The responsibility of appointing paper setters and examiners is vested in the Director of Technical Education. However as a measure of sound democratic practice the Director of Technical Education generally accepts the recommendations of the State Council of Technical Education.

3. to scrutinise applications for equipment grant received from recognised Institutes

4. to recommend reference books to State Council of Technical Education on different technical subjects.

5. to advise State Council of Technical Education on other points referred to them.

6. The members of different Boards of Studies are drawn from the recognised Institutes (including some heads of recognised Institutes) and experts in the trade and industries.
